## DETAILS AND OPTIONS AT THE BOW

## **BOW SECTION**

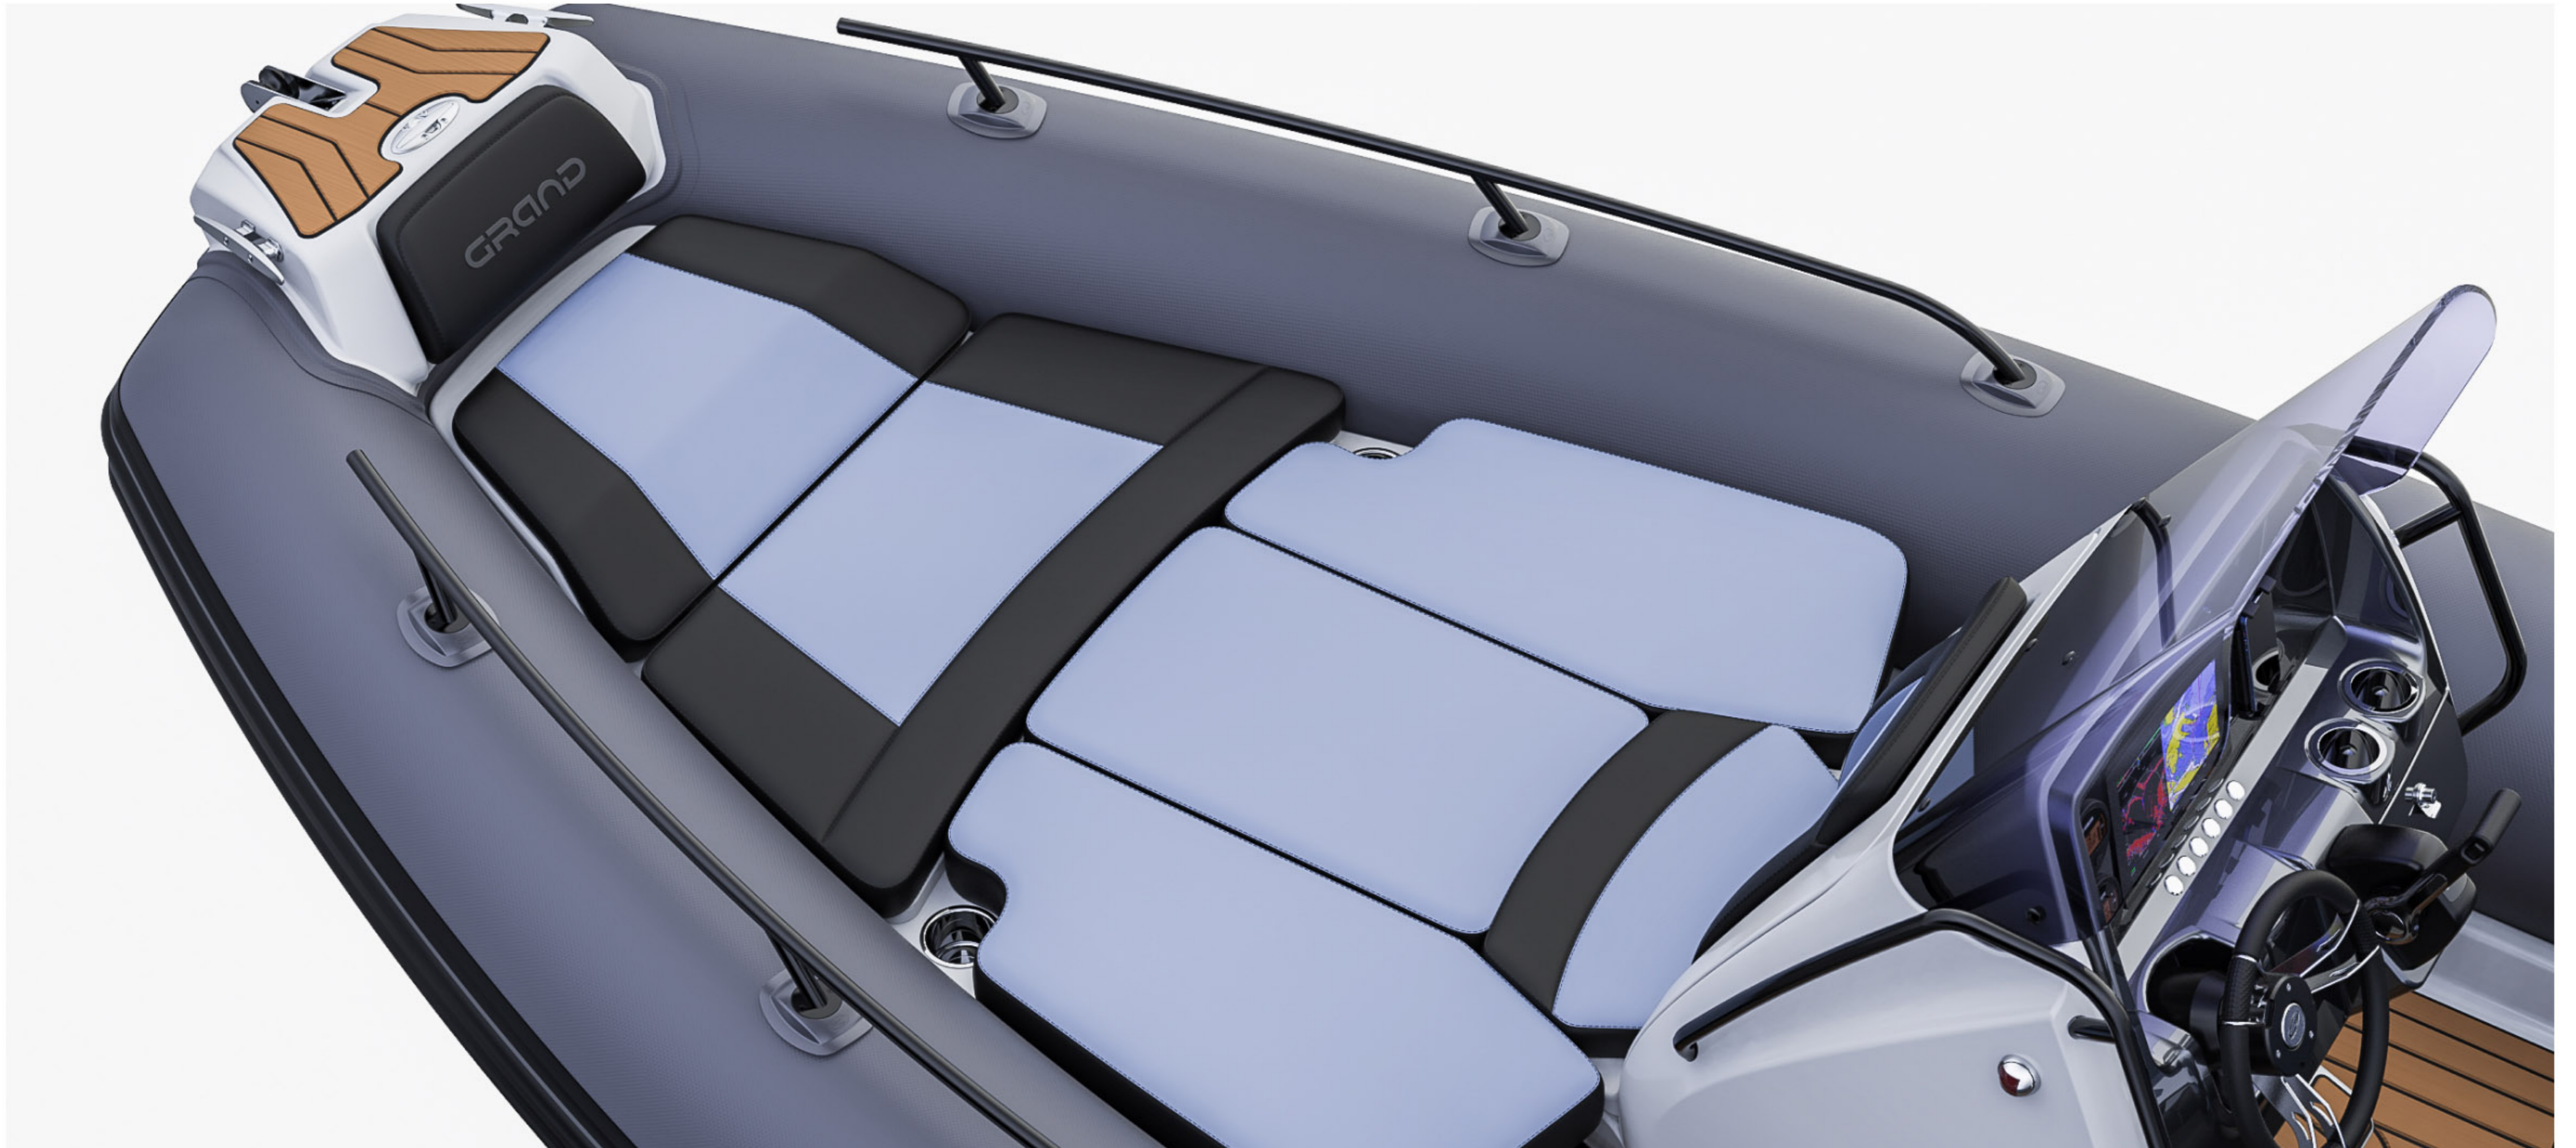

The dynamic shape of the bow provides two separate compartments – anchor locker and bow storage compartment. Anchor locker has a lifted lid enhancing the ergonomics and providing your back/neck with support when leaning/laying. The whole sunbathing area available with sundeck goes up to the very spacious 2 sqm /21,5 sft.

**CONSOLE**

The steering console and the driving seat/bolster, designed and built with machine precision, open a wide viewing angle to the helmsman to clearly observe the bow, even while remaining seated.

## DETAILS AND OPTIONS MID SECTION

## STEERING CONSOLE

Steering console has a non-traditional convertible front lid that rests on the bow locker when opened. No gas springs and no hitting the lid with your head - only conveniently hidden opening latch and easy access to the insides. All the wiring from the electronics on the dashboard is hidden behind the removable wall inside. The dashboard itself is suited for up to 16" screen and, traditionally, has a glove box. Additionally, the console has a legs support step in its base.

## DETAILS AND OPTIONS MID SECTION

## DRIVER SEAT

Its helm & passenger seat/bolster with a functional wet bar traditionally has the safety handrails and the lifting cushions for leaning-to-seated transition.

## DETAILS AND OPTIONS MID SECTION

The seats and the console itself are remarkably wide to seat the helmsman and the passenger with extra comfort and fit a 62lit refrigerator-freezer and a sink with faucet.

## FUNCTIONAL WET BAR

## DETAILS AND OPTIONS REAR SECTION

## REAR SUNDECK

Classic U-shaped rear sofa with 2 side lockers and spacious mid-section storage compartment, accompanied by safety handrails around it. Complemented with a smart rotatable table and ergonomic rear sundeck, that allow a free access to both the fridge and storage compartments without removing neither the table nor the sundeck, it creates a nice and cozy dining/sunbathing area.

## DETAILS AND OPTIONS AFT SECTION

**REAR**

Remarkably wide stern provides extra-large 'wet ropes' lockers and additional flat surfaces, complemented with soft antiskid SeaDek flooring, to step on during getting in/out of the water.

First steps onboard from the rear, traditionally, are taken through rear swimming platforms assisted with a handrail, ladder, and the stepend of the inflatable tube
