# GENERAL AND MAIN FEATURES

OVERALL LENGTH	OVERALL WIDTH	BARE WEIGHT
730 CM 23' 11" FT/IN	285 CM 9' 4" FT/IN	950 KG 2094 LBS
PASSENGER CAPACITY	MAX. ENGINE	ENGINE SHAFT
10/13 PPL	250 HP	EXTRA LONG

Big and modern center console day cruiser, suitable for offshore boating with B category, and perfect for a large family with kids or even rental use.

## DETAILS AND OPTIONS

## BOW SECTION

Large bow section, with two separate bow compartments – anchor and bow lockers, provides an ample sunbathing area when connected to the console seat with sundeck spacious enough to comfortably fit 2 adults. Surrounded with the safety railing and ergonomic bow step plate it creates a safe environment for the kids observation/play post.

# DETAILS AND OPTIONS

# STEERING CONSOLE

## *DETAILS AND OPTIONS*

## **STEERING CONSOLE**

Large steering console with a recessed deck inside provides a spacious storage compartment big enough to be used as a changing room and to install optional marine head(toilet). Supported by windshield and safety handrails the console has a legs' support platform in its base, a dashboard for up to 2x17' screens and, traditionally for all Grand cruisers - a glove box.

Helm & passenger bolster seat has a functional wet bar, safety handrails and lifting cushions for leaning-to-seated transition.

## *DETAILS AND OPTIONS*

## **FUNCTIONAL WET BAR**

Seating console boasts impressive width, ensuring the helmsman and passenger enjoy exceptional comfort. Additionally, there is ample space to accommodate a 62-lit refrigerator-freezer and a sink with a faucet.

## DETAILS AND OPTIONS

Classic U-shaped rear sofa with 2 side lockers and a generously sized middle storage compartment, all surrounded by safety handrails, it has a special feature of an open(not obstructed) passage to the rear. Enhanced by a table and fridge it creates a comfortable dining zone easily transforming into a big and delightful sunbathing area with a one-part sundeck extension.

## REAR SUNDECK AND COMPARTMENTS

Exceptionally broad stern offers large 'wet ropes' lockers creating a staircase right on the way inside/out that, complemented with soft antiskid SeaDek flooring, makes a gradual, safe and convenient operation & walking in the rear. Traditionally, the first steps onto the boat from the water are supported by rear swimming platforms, featuring a handrail and ladder.

## DETAILS AND OPTIONS

## **HARD TOP**

Giving a nice and cool shade the rigid hard-top is 1.9m/6.2ft high, has integrated slots for speakers and is suitable for additional equipment installation such as radar.

*DETAILS AND OPTIONS*

**HARD TOP**

## DETAILS AND OPTIONS

## BIMINI TOP

Coming as alternative to the hard-top, bimini covers slightly bigger area and should be collapsed when the boat is on the move.
